Hearing Date: 1/18/06

Staff: David Pringle (786-7310).

Background:

The Volunteer Fire Fighters' and Reserve Officers' Relief and Pension System (Volunteer Fire System) provides relief and pension benefits for members of regularly organized volunteer fire departments and law enforcement agencies. Members who serve and make monthly retirement contributions for a period of at least 25 years are eligible to receive a pension benefit at age 65.

Relief benefits include payment of medical expenses and disability pensions for members injured in the performance of duty and payment of burial expenses and survivor benefits for members killed in the performance of duty. The performance of duty is defined to include working at company quarters, fire stations, law enforcement precincts, and at other places under the general orders of the chief or other officer, participating in training activities, or responding to calls to duty or other emergency calls in accordance with the rules of the local fire department or law enforcement agency.

Employers are required to participate in the death, disability, and medical benefit plans offered by the Volunteer Fire System, but participation in the pension component is optional. About 18,000 members are covered by the death, disability, and medical benefits, and 12,000 members are covered by the pension benefits. Volunteer Fire System benefits are administered by the Washington State Board for Volunteer Fire Fighters' and Reserve Officers' (Board) and paid out of the Volunteer Fire System Fund (Fund). Revenues to the Fund come from: a 40 percent share of the premium tax paid on fire insurance policies issued within the state; contributions from volunteer fire fighters, emergency workers, and reserve officers; contributions from participating

municipal corporations and emergency service districts; and returns on the investment of moneys in the Fund.

Summary of Bill:

Participation in community or charitable events sanctioned by the chief or another officer is added to the definition of "performance of duty" or "performance of service" in the Volunteer Fire Fighter's and Reserve Officers' Relief and Pension System.

Appropriation: None.

Fiscal Note: Requested on January 12, 2006.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed.
